

PROTEST WAR

THE 14TH ANNIVERSARY OF THE U.S. INVASION OF IRAQ

SUNDAY • MARCH 19, 2017

noon: NY Public Library (41st St. & Fifth Ave.)

1 pm: March to Times Square Military Recruiting Station
(43rd St. & 7th Ave.)

WAR DOESN'T WORK. In 2003 President Bush promised liberty and security for the people of Iraq and peace for the world but 14 years later: 1 million war-related deaths, 4.4 million Iraqi refugees, start of ISIS, corrupt and weak government in Iraq, alarming rate of U.S. veterans suicides, \$2 trillion for war instead of vitally needed services at home and abroad.

DEMAND SMARTER POLICIES!

NYC War Resisters League, Brooklyn For Peace, World Can't Wait, NYC Metro Raging Grannies, Pax Christi Metro New York, Green Party of Brooklyn, Gotham Greens, Veterans For Peace NYC Chapter 34, Peace Action NYS, Peace Action Manhattan, Peace Action Staten Island, Kairos Community, Women in Black/Union Square, United for Peace and Justice, Code Pink NYC, Granny Peace Brigade
