

PROTEST WAR

THE 15TH ANNIVERSARY OF THE U.S. INVASION OF IRAQ

MONDAY • MARCH 19, 2018

11:30 am: NY Public Library (41st St. & Fifth Ave.)

Noon: March to Times Square Military Recruiting Station
(43rd St. & Seventh Ave.)

WAR DOESN'T WORK. In 2003 Pres. Bush promised liberty and security for Iraq and peace for the world but 15 years later: 1 million war-related deaths, 4.4 million Iraqi refugees, corrupt and weak government in Iraq, alarming rate of U.S. veterans suicides, \$2 trillion for war instead of vitally needed services at home and abroad. The number of U.S. troops and deaths have increased under Pres. Trump.

END ENDLESS WAR!
